DECISION AND CERTIFICATION OF REPRESENTATIVE

The National Labor Relations Board, by a three-member panel, has considered objections to an election held on March 2, 2012, and the Regional Director's report and corrected report recommending disposition of them. The election was conducted pursuant to a Decision and Direction of Election. The corrected tally of ballots shows 57 votes for the Petitioner, 31 for the Intervenor, 1 against the participating labor organizations, and 22 challenged ballots, an insufficient number to affect the results of the election.

The Board has reviewed the record in light of the exceptions and brief, and has adopted the Regional Director's findings and recommendations, and finds that a certification of representative should be issued.

CERTIFICATION OF REPRESENTATIVE

IT IS CERTIFIED that a majority of the valid ballots have been cast for New York Hotel & Motel Trades Council, and that it is the exclusive collective-bargaining representative of the employees in the following appropriate unit:

All full-time and regular part-time maintenance employees, housekeeping employees, and guest service attendants employed by the Employer at its facility located at 20 West 29th Street, New York, NY, excluding all other employees, including Housing Development Corporation employees (in connection with services provided solely to the residential portion of the Building), food and beverage employees, reservations employees, front desk employees, confidential employees, clerical employees, security employees, and managers, and professional employees and supervisors as defined in the Act.
